

User Stories

As a homeowner, I want to see the timestamps on videos, so that I can easily see when they happened.

As a homeowner, I want to be given the video and audio files, so that I can take them to the police if someone breaks into my house.

As a homeowner, I want to know what camera saw something suspicious, so that I can easily know where intruders are attempting to break in.

As a homeowner, I want to know what my camera saw, like faces or movement, so that I can quickly identify if there was a real threat.

As a homeowner, I want my neighbors to be alerted if my security system sees something suspicious, so that they are prepared for a potential threat.
